The screenshot shows the CALGB website interface. At the top, the title "Per-Case Payments Website" is displayed. Below it, a browser window shows the URL "http://www.calgb.org/Private/COOP\_Groups/CALGB/funding/per-case\_payments/per-case\_payments". The website header includes the CALGB logo, "Cancer Research Since 1956", and the text "Cancer and Leukemia Group B" with the website address "www.calgb.org". A navigation menu contains links for Home, Member Site, Studies, Patient Registration, LabTrak, Reports, Directory, Meetings, Resources, Policies, and Funding. The main content area is titled "Per-Case Payment Programs" and includes a search bar, a "Per-Case Payment Programs" section with a "Understanding the CALGB Per-Case Payment Program" link, and a "Qualifying enrollments to CALGB studies are supported by the following payment programs" section. A "Per-Case Payment Search" section allows users to search by study number. A "Contact Information" section lists Mary Sherrell and Barbara Smith. A "Funding FAQs" section on the right lists common questions. The footer includes a "printer friendly" link, copyright information for 2004, and a "Last Modified" date of Thursday, December 23, 2004.
