Studies Tab

The screenshot shows the 'Studies Tab' of the Cancer and Leukemia Group B website. The page is titled 'Studies Tab' and features a navigation menu with options like Home, Member Site, Studies, IS Applications, Directory, Resources, Training, Policies, and Funding. The main content area is divided into several sections:

- Protocols:** Includes links for Active Protocols (Updated - 05/15/2010) and Closed Protocols (Updated - 05/15/2010).
- Quick Links:** Contains links to Terminated Studies list, DSMB, statements, CTCAEs, and other useful info.
- Recent Study Broadcasts and Common Forms:** Lists recent study broadcasts and common forms such as A-006 CALGB Patient Transfer Form and Patient Race and Ethnicity Form.
- Study Specific Forms for Closed Studies:** Provides information on forms used to collect patient data from various CALGB institutions.
- Administrative Forms:** Lists miscellaneous CALGB Administrative Forms available on-line.
- Supplemental Forms:** Lists miscellaneous CALGB Supplemental Forms providing reference information for completion of scientific forms.
- Adverse Event Reporting:** Provides information on CALGB Adverse Event Reporting.

Two callouts are present: one pointing to the 'Quick Links' section and another pointing to the 'Recent Study Broadcasts and Common Forms' section.

Directory Tab

- Allows user to search for CALGB participant
- Allows user to search for study team members by study
- Provides links to lists of staff in each department or office
 - *Whom do I contact in the Central Office?*
